

West Point Parents Club of Michigan
United States Air Force Academy Parent's
Club of Eastern Michigan

2017 13th Annual Golf Outing & Dinner Fundraiser

Dear Fellow American:

The common mission of the U.S. Air Force Academy (USAFA) and the U.S. Military Academy (West Point) is to develop future leaders of character for our armed forces. Many of these extraordinary young men and women go on to serve their country as leaders in all elements of our society. Particularly when America is at war, it is gratifying and humbling to meet these talented and dedicated young people who have accepted the difficult challenges of our service academies.

The young men and women who have chosen to attend USAFA and West Point endure intense academic, leadership and physical training requiring the highest level commitment of time and dedication throughout their four-year experience. The year-round duties of Air Force and Army cadets offer few opportunities for relaxation or the typical freedoms enjoyed by peers at traditional colleges and universities.

The USAFA Parent's Club of Eastern Michigan and the West Point Parents Club of Michigan ("Parents Clubs") exist to support the families and to provide recognition and support for cadets attending USAFA and West Point. We help cadets and their families navigate through the unique experience and help them launch a successful military career. The annual golf outing to be held on July 30, 2017, at the Selfridge ANG Base Golf Course is the largest single fund raising activity of the Parents Clubs. The funds that are raised through the event underwrite all our programs and cadet support activities.

We are asking businesses and individuals to help us sponsor this patriotic event. We welcome any cash or gift donations you or your organization deem appropriate, and all sponsors have the opportunity to be listed in the event program. If you wish to help further this tradition by saluting our outstanding young men and women of USAFA and West Point, please forward your donation or contribution by July 14, 2017. Financial contributions may be made payable to the **United States Air Force Academy Parent's Club of Eastern Michigan** or the **West Point Parents Club of Michigan** and all donations may be sent to 50308 Hillside Dr. Macomb, MI 48044.

Thank you for your support of the next generation of America's leaders.

Very truly yours,

Tim Fressel

Tim Fressel, President
USAFA Parent's Club of Eastern Michigan

Bob Riehl
