

UNITED STATES AIR FORCE ACADEMY

Parents' Club of Eastern Michigan

Dear Fellow American,

The United States Air Force Academy Parents' Club of Eastern Michigan will host the **45th Annual Michigan All Academy Ball on Sunday, December 22, 2019** at The Inn at St. John's in Plymouth, MI. This event is a thank you to the Michigan cadets and midshipmen who attend our nation's five service academies and will recognize their dedication and commitment to serve our country. Approximately 200-250 Michigan cadets/midshipmen and their parents will attend.

It is a long standing tradition to honor these cadets and midshipmen at a formal event during their winter holiday break. These extraordinary young men and women endure rigorous academic, leadership, and physical training throughout their four year experience. Because of the intense training, these young people have few of the opportunities for relaxation or freedom enjoyed by their peers at traditional colleges and universities. Upon graduation they will commission to serve their country as officers in a branch of the U.S. armed services.

We are asking Michigan businesses to assist us **to assist us by supporting this event.** We would appreciate your consideration to donate a gift card or product from your business for our raffle and silent auction. The proceeds will be used to defray the cost of the event. All sponsors will be prominently recognized in our event signage, program, and pre-event promotion.

Through your tax deductible donation to our 501(c)(3), you can help recognize these young men and women. Our 501(c)(3) EIN is 26-2252922. You can reach me at (248) 828-5158 or margaret.g.brooks@gmail.com with any questions. Thank you for your consideration of support for these brave young Americans who will become future leaders serving in the U.S. armed services.

Sincerely,

Margaret Brooks
